JULY WORSHIP AT UNITY

Even though churches are exempt from the NC governor's executive orders concerning re-opening, the NC Synod is recommending no in person church services through the end of Phase 2 which has been extended to July 17th. Unity has been and will continue to hold service each Sunday at 10:30 am for members who wish to meet in person following safety guidelines recommended by Governor Cooper's Phase 2 re-opening plan as well as suggestions from the NC Synod. Practice safe distancing by sitting at least 6 ft. apart from each other. Hand sanitizer will be available and you are encourage to use it upon entering and leaving the church. Wearing a mask is now mandatory (strongly recommended) and we will have masks available for those who need one. Synod will not be assigning us any supply pastors through July 17th so we will continue to have a video taped sermon and recorded music using Service of the Word.
