### Please Pray

We pray for the families in Uvalde, in Buffalo, in New York City, in Oxford, and in so many other sites of tragedy. Infinite Presence, with a broken heart, we pray that families, friends, and communities are feeling the love of God, that they feel not alone. We pray that every grieving person is held by caring arms. We pray that the grace of forgiveness becomes a felt experience for them and for us all. Dear God, we pray that lawmakers come to points of connection and compassion, that they selflessly take action to change our course of violence. Spirit, We pray that the hurtful aspects of our own hearts be released and forgiven. We pray that the good of God become the collective consciousness of us all. Amen.
